How does it work?

Sunday School is held on Sunday mornings, except during the holidays. Children and teachers attend the first part of the worship service and leave for their Sunday School classes after the children's story. We have classes for different age groups as well as a nursery for the little ones. The Christian band, Community, provides our music ministry.

We use the Seasons of the Spirit curriculum, a lectionary-based resource created by publishers and denominational partners in four countries. Our children in the Sunday school are studying and interacting with the same scriptures as the adults. It makes for great family discussions throughout the week.

Seasons of the Spirit is unique. More than a curriculum – it's a resource for our whole congregation.

Our vision with Seasons of the Spirit is to provide God's people with lectionary-based, ecumenical resources that empower all ages to be transformed in Christ as they:

- explore meaning and mystery in the

Bible;

- celebrate in worship, sacraments, education, and service;
- engage in ministries of love, justice, and witness;
- and live in inclusive communities of faith shaped and led by the Holy Spirit.

Age groups

Crèche and Nursery: for newborns to 3 years

Children 0-3 years have a special room, the Nursery, where they can be fed and changed by their parents during the worship service. There is also a free babysitting service for this age group in

this room, staffed by experienced baby-sitters who will play with your young ones giving you the opportunity to recharge your spiritual energy in the church service. The Nursery is stocked with a variety of age appropriate toys. The room is also equipped with a loudspeaker, such that whoever is monitoring the children can still follow the worship service.

Multi-age: 3 - 11 years

Children 3-11 years are invited to join their parents for the first 15 minutes of the worship service. During this time our minister tells them a story and they sing a song with the band Community. Following this time, the children leave the service and gather together with their teachers in the church hall. Through Bible stories, songs, crafts and drama, the children are encouraged to develop a sense of their community and their place in God's world. We listen to their thoughts and give opportunities for leadership and public speaking in a friendly place. Sunday school is an enriching activity for children in so many ways and we encourage parents to come and join in with us at any time.
