

HEALING PATHWAY MINISTRY

Jesus healed. God's church is also given the gift of – and responsibility for – healing.

In 1977, the Committee on Christian Faith of The United Church of Canada called for a careful liturgical ministry with the sick.

Christian Healing Involves The Trust That God Works Through Dimensions Of Reality That We Cannot Fully Understand, To Bring Healing And Health.

Symbols such as Prayer, Laying on of Hands, Touch and Anointing with Oil are genuine instruments of healing that can open us to a power which medical science, by itself, does not possess. In practising this healing, we are reclaiming the healing ministry Jesus taught his disciples.

HEALING PATHWAY training has been offered at The United Church of Canada's *Naramata Centre* in Naramata, British Columbia, and within congregations since 1993. This program has its roots in – and is affiliated with - *Healing Touch International*, and *Healing Touch* techniques are similar to those used in *Therapeutic Touch* and adapted for this United Church program.

In February 2004, **HEALING PATHWAY** was officially recognized by the Official Board of Ste-Geneviève United Church as a ministry of the congregation.

HEALING PATHWAY is a way to convey God's highest good for the recipient.

As Trained Practitioners, We Do Not Act On Our Own. We Do Not Claim Any Credit For Healings In Which We Have A Part. We Are Simply Conduits, Or Instruments, Through Which God's Grace Flows.

We firmly believe that God is the only One who can decide what God's energy will do – and where that energy will go – within your Mind, Body and Spirit in order to do the most good for you, the recipient.

God's Intention Is For Wholeness, Harmony, Balance And Health.

What Does "Healing" Mean?

"Healing" does not necessarily mean "curing". **Healing is a process guided by God** to restore balance and wholeness of Mind, Body and Spirit, not only within the individual, but also within relationships, community and creation.

HEALING PATHWAY MINISTRY Is NOT A REPLACEMENT For Any Conventional Medical And/ Or Psychological Treatments

Anyone suffering from any ailments of a physical and/or psychological nature is strongly advised to be under appropriate professional care. **HEALING PATHWAY** is one of many "paths" through which God's healing presence can be experienced and, as such, accompanies and enhances the more familiar, conventional methods of treatment.

Do I Need To Feel "Unwell" Before Receiving A Treatment?

NO! You do not have to wait to feel "unwell" before receiving a **HEALING PATHWAY** treatment! **Prevention** is the key word here. If you join us once in a while, God's healing energy can help to maintain and strengthen your physical, emotional and spiritual wellbeing.

We will pray that God will answer any specific concerns you may have according to God's will for the highest good of your Mind, Body and Spirit!

You can expect to leave with an increased sense of wellbeing, feeling more balanced with more energy. As with anything worth doing, it is worth doing well. Even if you may not think that a **HEALING PATHWAY** session has benefited you, don't give up hope! Come back!

Our HEALING PATHWAY Team

The training of all of our practitioners has been led by Certified Practitioner-Trainers from the *Naramata Centre's HEALING PATHWAY* program. **Our practitioners have received Phase 1, Phase 2, Phase 3 and/or Phase 4 Certificates**, which permits us to offer this ministry under the **HEALING PATHWAY** name, logo and methods at the level of each practitioner's respective training. Our

practitioners look forward to additional training as it becomes available. We have weekly opportunities to practice and minister with the skills we have been taught. Although we are far from Jesus' level of spiritual awareness, we are committed to journeying in faith to rediscover and reclaim our role as God's healing instruments in Jesus' name, and to working together to serve others in this way.

We Are Excited About Offering This Enriching, Healing Ministry To People In Our Church & In The Wider Community!

A PRACTITIONER'S PRAYERFUL INTENTION

May the light and love and grace of God move through you as you are healed in body, mind and spirit.

Let this vital energy soak deep into your body, filling each cell with God's healing power.

May any blocks be removed so that your own body can get on with healing itself for your highest good.
