

## **Congregational Consultation on Summer Services**

Dear Ste Genny's congregation,

In the summer of 2022, we joined the West Island and Riverside United Church Cluster (thereafter referred to as "the cluster") summer worship rotation for the month of August, while Rev. Joëlle was on vacation. This Summer, we joined the cluster summer worship rotation for the whole summer. As Worship and Sacrament is reflecting on these last two summers of experimenting with cluster services, we would like to have your feedback to ensure your spiritual needs are adequately met next summer.

This questionnaire is being circulated by email, in hard copies in the sanctuary and through the telephone committee. Please, answer the questionnaire **ONLY ONCE**.

The survey is available online [here](#). Please reply by November 1.
