Dear Friends and Families

As of this morning we are in the “Orange Zone” for Covid-19. What this means is that we must limit our numbers in church for Sunday Services to 25 people

We really do not want to shut down, and so, we will implement a “Reserve your Seat” plan. To do this, please phone the office between 8:00am -3:00pm to let us know that you plan to attend. You can also email the office and will be responded to confirm that you are on the list.

This will have to be done weekly and information will need to be received by Friday at the latest. If you decide on Sunday morning that you want to come to church, please call to see if there is space before leaving home.

If you are uncomfortable with attending, or if we have reached 25 reservations before you could get your name in, please participate by Zoom or by Phone

Worship by Zoom at 1:00pm

In public settings, in orange zones, gatherings like barbecues and weddings are limited to 25 people, Mr. Christian Dubé, Health Minister said. This includes houses of worship.

Thank you for your understanding. We are doing our best to keep everyone safe and healthy.
