

Imagineers Invitation ~~Saturday August 6th at 1pm~~

postponed until September

« Imagineers » is a word made up of “imagination” and “engineers”. I learned that word while I was doing an internship at Cedar Park United Church several years ago.

Worship imagineers are a group of people coming together to brainstorm ideas for worship for a season. This is not a committee with permanent members, but rather an ad hoc group that does not have to have the same members each time they meet.

I invite you to come and imagine how we can engineer worship for the Season of Creation 2022 (September 11th to October 9th).

Come to church on Saturday August 6th at 1 pm. (If you want to participate but can't be there in person, let me know I will send you a zoom link to join remotely.) We will meet in the choir room, look at Scripture for the Season of Creation and brainstorm together. You can read the Scriptures ahead if you like, but you can also just show up without preparation. We are making space for the Spirit to stir our imagination.

What might come out of this meeting? Ideas for:

- Dramatic Scripture reading or skits
- Symbols used throughout the season
- A spiritual practice for the season
- A common thread for sermons
- WoW activities
- Prayers
- Hymns
- Etc.

Let's come together and see where the Spirit leads us.
