

Imagineers Invitation

Sunday September 17, 2023 - following the service

EVERYONE is invited to participate in helping to **mold our Advent season worship services**. We will be holding an **IMAGINEERS** get together on **Sunday September 17 2023 following the service**.

We will be focusing on the Gospel Readings for discussion. If you would like to review the readings before the meeting that would be great! We would have ideas to work on from the start. If not, join us just the same. Your input is very important to us!
